This book provides a thorough information about body language. All the aspects of knowing the telltale sign of body language has been discussed and it's nice to know that men and women differ in their vision of looking things, that men have tunnel vision and women have better peripheral sight. The book is a good guide to pick up
the signals of our body language. Recommend this book and give my honest opinion here. Body Language: 101: Discover the Psychology Secrets of How ... To get started, body language can be broken down into a few different channels: Facial Expressions.

Researcher Dr. Paul Ekman discovered 7 universal microexpressions — or short facial gestures every human makes when they feel an intense emotion. Body Language: Learn To Read It and How To Improve Your Own.

Gestures can be some of the most direct and obvious body language signals. Waving, pointing, and using the fingers to indicate numerical amounts are all very common and easy to understand gestures. Some gestures may be cultural, however, so giving a thumbs-up or a peace sign in another country might have a completely different meaning than it does in the United States. How to Understand Body Language and Facial Expressions.
